## **Photographing**

We love to share our passion for art by posting students' artwork on our website and social media avenues. We mostly photograph students' backs, top view and artwork however we sometimes add faces. We value everyone's privacy so if you would NOT like your student's face in photos please advise the teacher.

## **Supervision**

Staff at the location are responsible for supervising their students.

## **Managing Children's Behaviour**

Positive behaviour management is used throughout our workshops. Positive guidance, encouragement of good behaviour, and redirection will be used to manage behaviour where possible.

## **Children with a disability**

JustArt Australia is an inclusive environment where everyone is welcome. If students have a disability then please let us know at enrolment so we can best meet their requirements.
